About the Food Bank of Northwest Louisiana

Mission Statement

The mission of the Food Bank of Northwest Louisiana is to be the primary resource for fighting hunger in Northwest Louisiana.

Background

The Food Bank of Northwest Louisiana began simply, in 1995, when a group of individuals from churches with food pantries and benevolent organizations met to discuss the need of establishing a Food Bank to serve northwest Louisiana. The group evolved into the Steering Committee that formally organized January 20, 1996. The Committee met officials from Feeding America, the nation's hunger awareness organization. In January 1997 a building was donated by the Charles Beaird family. After a great deal of work, the Food Bank was opened for business April 17, 1997. In nineteen years it has grown to a massive distribution center, providing over eight million pounds of food annually.

About the Food Bank

The Food Bank of Northwest Louisiana is the largest distributor of donated food and hunger relief organization in the region. Last year, through the association of 150 collaborating non-profit food providing organizations, we distributed 11.8 million pounds of food with a value of \$17 million within our service area of Caddo, Bossier, DeSoto, Red River, Webster, Claiborne and Bienville parishes. We provide food through several different programs: Food Distribution Program, Senior Box Program, Back Pack Program, Mobile Food Pantry, Kids Cafe After School Meal and Summer Feeding Program.

Providing more service than almost any other non-profit organization in Northwest Louisiana, we distribute food to 75,000 clients each year. Each client receives food approximately 8 times per year from the Food Bank free of charge. The Food Bank provides these services and products to all eligible individuals, regardless of race, religion, ethnicity, gender, age, physical and or mental ability. We ensure that our partners comply with all applicable State, Federal and local legal requirements through inspection and contractual agreement. Each distributing collaborating partner organization uses client tracking software to prevent duplication of service and is monitored to avoid program misuse.

Accreditation & Affiliation

The Food Bank of Northwest Louisiana is a 501(c)(3) not-for-profit organization registered as tax-exempt with the Internal Revenue Service. The Food Bank of NWLA is one of more than 200 food banks and food-rescue organizations affiliated with Feeding America, the nation's largest hunger awareness organization.
